DATA-PROTECTION DECLARATION ACCORDING TO THE GDPR (General Data Protection Regulation – in Austria DSGVO)

The safety of your personal data is important to us. We process your data exclusively in the context of the legal regulations (DSGVO, DSGVO 2000, TKG 2003). Below we inform you about the most important aspects of data processing within our website.

Contact us

If you contact us via the form on the website or by e-mail, your data will be stored for six months to process the request and in case of further questions. We will not share this information without your consent.

Cookies and web analysis tools

Our website does not use cookies or web analytics services

Your rights

You have the right in principle to information, correction, deletion, limitation of processing, data portability, revocation and opposition. If you believe that the processing of your data violates data protection law or if your data protection claims have been infringed in another way, you can complain to the supervisory authority. In Austria, this is the data protection authority.
